

How do you consistently create what you really want  
in a way that feels great and natural and fun?

What's your favorite way to attune, to be in harmony with,  
to allow or receive what you want in your awesome life ?

Pick one  
you love!

Be On Purpose    Just Believe    Build a Belief Bridge    Allow It In  
Imagine/Expect the Best    Play/Have Fun    Appreciate    Choose Easy  
Cultivate "THE Feeling"    Expand What You Think Is Possible    Accept Support  
Be The True, Bigger Creator You    Love What You Already Have    Meditate  
Choose Happiness as a *Path* ... Relax, Let the Universe Do The Work  
Love , Respect & Admire Yourself    Tell The Story You *Want* to Experience  
You Are Already Perfect & Loved!    Wow, the most amazing things are happening ...
